

May Update

May 1, 2016

Dear Members and Friends of Union Church,
It's hard to believe that we are 3½ months into our transition. Although we've experienced small changes that naturally occur when a different person assumes leadership, individuals seem comfortable with the community and worship life of our church.

April 17th was a celebration, not only of my ordination into the ministry of spiritual and religious leadership; it was also an affirmation of everyone's call to ministry –to service to one another. The ordination service and the reception that followed demonstrated all of your generous responses to your calls as you ministered a planners, presider, minister of ordination, homilist, deacon, musician, lector, greeter, reception organizer, decorator, provider of refreshments, photographer, as you selected gifts, welcomed guests, and joyously celebrated in the worship and festivity. Hopefully you all felt the joy and gratitude of being part of this marvelous church community that calls you forth to share your gifts and enriches you in the giving and through the talents of others.

As days get longer and warmer more people will return to the area and our church numbers will grow. Those of you who have braved the winter here have experienced gradual changes in the church during these past few months. Those returning may feel the differences more sharply and will likely need the comfort of old friends to support their re-entry. Through you they may need to recognize that together we are the church – a people who seek to know God better and imitate God more fully. We are still a beautiful faith community. That is what we celebrated so magnificently on April 17th. That is what we celebrate every Sunday when we are together. That is what we celebrate when we minister in the community. That has not changed.

May God bless you all in your ministry.

With love and gratitude, Nancy

Retreats at Marie Joseph Spiritual Center

10 Evans Road, Biddeford Pool

May 27 – 29, 2016 ~ Mary and Women Today with Marie May Lausier, p.m.

In her person, Mary not only unites and mirrors the central truth of our faith, but the essential nature of womanhood as well. We will focus on the four major images of Mary as: Mother, Virgin, Intercessor and Companion to release the feminine energy contained therein, which is part of every woman's experience. We will see how these images played out in her unfolding mission, tracing a path of light across the centuries and also learn of the meaning of her appearances today and the impact of her messages. Cost: \$190.00

July 29 – 31, 2016 ~ Teresa of Avila; A Saint Who Has a Message and a Secret with Fr. Frank Demers.

Teresa of Avila – mystic, saint and doctor of the Church. She has been for a great number of souls, a reliable companion on the road to contemplation and to holiness. With Teresa as our guide, we will focus on the message and the secrets of the mystics, and learn how to read and understand them. By following her footsteps, we may better travel our own path toward God in contemplative holiness. Cost: \$190.00

In addition to the Guided (theme related) Retreats offered at Marie Joseph's, the Center is also available for Private Retreats in which a retreatant follows no set program, no conferences, no meetings; rather using the time to pray, rest and reflect on their own. Also offered are Directed Retreats, in which the individual meets with a Spiritual Director for a one-on-one session. The following dates have been set aside for these particular types of retreats, however Private and Directed retreats can be made most times throughout the year, providing there is space available, and can be scheduled for both weekends and weekdays.

Remembrance Garden

On Sunday, May 1st the children at Union Church planted annuals in the Remembrance Garden. Members and friends gathered there at the end of the Sunday service to bless all who will use the site. The blessing ritual and a copy of a trifold about the Remembrance Garden are found below.

Blessing of the Remembrance Garden

Leader: As individuals and as a church we remember those who have gone before us and live in the fulness of God. We dedicate this site where we can come to experience God's peace and presence, where we can honor our loved ones who have died by placing their remains here, and where we can feel close to those who are important to us and who have left this earth, by recalling our shared lives with them. Today we acknowledge the sacredness of this space and bless all those who will come here in grief, and in celebration. I invite you to put your hand over your heart as we pray

Together: Almighty and ever-living God, in you we place our trust and hope, in you the dead whose bodies were temples of the Spirit find everlasting peace. Lord Jesus Christ, by your own three days in the tomb, you hallowed the graves of all who believe in you. We pray that this site be a sign of hope that promises resurrection even as it claims our mortal bodies. Bless all whose bodies are returned to the earth in this place.

Leader: As Mary Magdalen wept at your tomb, many will come here in sadness and grief.

Together: May they experience your gifts of refuge, trust, rest and quiet, refreshment and wisdom. May their presence here ease their sadness and strengthen their hope, and in time, bring them joy and gladness.

Leader: In times of loss, may we come here together as a loving community and console one another in the faith of Jesus Christ.

Together: Amen and Amen!

If you wish to use the Remembrance Garden, please submit this form to Pastor Nancy Bancroft, Union Church. P.O. Box 344, Biddeford Pool, Maine 04006. Phone: (207) 205-4951.

Behold the creator's hallowed ground
where fresh, new flowers may be found
To visit here and mark the space
where a loved one's ashes have been placed

A sanctuary to pray and rest
giving thanks; how we've been blessed
To have the chance to spend some time
by a church that's small, with air sublime

A cherished love within a stone
to honor just one life alone
Whose consequence was right and just
Into this setting we entrust

We know you are not far away
in the loving arms of Yahweh
Out of reach, not once the heart
it is but a trifle we are apart

For when we meet on angel's wings
the trumpets will sound their reveling
And all of Heaven will cheer and then
At last we will be joined again.
